Vision and Values

“Together we learn”

The Gooseberry Bush will be a safe, happy and respectful environment providing a diverse, exciting and challenging experience to encourage progress towards every child and adult’s potential.

At our setting we are committed to providing a stimulating, creative environment where everyone feels valued and safe, and children can flourish and reach their full potential. By providing a broad, balanced and engaging curriculum by promoting good behaviour and respect for all, we aim to enthuse all children with a love of learning and to foster a caring environment for all. Whatever the needs of a child, we aim to ensure that our children’s grow, feel safe, have fun and enjoy success.

We want our children’s time at the nursery to be memorable and to encourage them to become lifelong learners.
